

Animal Health (Importation of Miscellaneous Goods and Animals) (Jersey) Order 2017

Application for a licence to import pigs to Jersey (From the UK)

You must obtain your Isolation Premises Approval Certificate, which is issued by the States Veterinary Officer, before a licence may be issued.

A person importing pigs under the Animal Health (Importation of Miscellaneous Goods and Animals) (Jersey) Order 2017, article 3 must be in possession of a licence granted by the Minister, or a person who has been appointed by the Minister, to import into Jersey.

You are advised to check with your supplier that they are not under any restrictions issued by the competent authority for any diseases and that they are able to meet the requirements set out within the health certificate and guidance notes. Copies of these are on our website www.gov.je

The department reserves the right to refuse, vary, revoke or suspend any import licence.

Please allow at least 10 working days for processing.

**Please complete in BLOCK LETTERS.
Incomplete or illegible answers could mean a delay in the issue of your licence**

Important information:

Before signing this form please read the following consent information carefully. It explains how your information will be used and provides a brief description of your rights under Jersey's Data Protection Law. For further information on how Infrastructure, Housing and Environment handles personal data please visit www.gov.je/howweuseyourinfo

Your consent:

I confirm and agree:

- That this application is made with my authority and the information supplied in this form is accurate to the best of my knowledge; I am aware that it's an offence to knowingly submit false or misleading information with an application.
- The information supplied in this form, together with any other accompanying information to be used for the purpose(s) of processing my application for a licence to import pigs to Jersey from the UK in accordance with the Animal Health (Importation of Miscellaneous Goods and Animals) (Jersey) Order 2017.
- That information provided in this form, together with any other accompanying information may be disclosed to the organisations listed below where it is necessary. For example, to carry out compliance checks, investigate breaches or potential breaches of law, for enforcement purposes and for statistical reporting.
 - The approved ferry or air carrier transporting the a to Jersey
 - Customs and Immigration Service
 - Other enforcement authorities in the Isle of Man, Bailiwick of Guernsey and the United Kingdom when necessary.
- That the information provided may be used to control and/or eradicate a notifiable disease outbreak in Jersey.
- I understand that you will not use my personal information for any other purpose, without my permission, unless you are legally required to do so.
- I understand that I am responsible for the cost of pre-export and post-import disease testing, veterinary certification, post-import isolation and transport. I further understand that animals which develop disease or prove positive to tests, carried out during the period of post-import isolation and all other animals within the isolation group, may be required to be tested, treated or slaughtered and disposed of, as directed by the States Veterinary Officer, again at my expense and that I will not be eligible for compensation.
- I understand that under Jersey's Data Protection Law I have the right to withdraw my consent to the further processing of my information. However, I understand that this may cause delays in administering my application, affect the successful import of my animals or cause me to be in breach of other legal requirements. (Should you wish to exercise this right please contact us on tel. 441600)
