Many thanks [REDACTED]. I'm not sure if you've had a response from the CM's office on this – as she does need to opine on any statement – but I would agree simple is best, in line with your suggestion below.

Hi [REDACTED]

The Bailiff's Chamber usually issue all flag orders for the island however as the flag order from the UK was specifically Government buildings, Broad Street will fly the flag of Israel today.

I have copied in [REDACTED] and [REDACTED] on this who may wish to add context and provide a statement from the CM if appropriate.

Perhaps a simple statement 'Today the Flag of Israel will be flown on the Government of Jersey Headquarters in Broad Street in recognition of the recent atrocities in Israel.'

Kind regards

Hi [REDACTED]

I hope you're well. We have had a query into the Press Office, asking if the Government intends to fly the Israeli flag from its buildings in light of the recent violence.

I've been informed that we take our lead from the Bailiff's office – do you know if there is a plan to do this?

Kind regards,
