**3. Action Points**

AP #	Agenda Item	Comment	Assignee	Status	Target Date	Revised Target
A	Welcome and introductions and agreement of minutes	The updated Terms of Reference and minutes from the last meeting were marked as an accurate representation of the meeting. Minutes and agenda to be uploaded on gov.je	JLM	Incomplete	1/8/23	
B	Work plan for the group	Green skills considered too large a topic to cover within the November meeting. 'Topic of 'green skills' needs to be refined. In November meeting, 'green skills' will be focused on in heating policy context. In February, it will be considered in the e-vehicle context. Government to provide refined definition of 'green skills'	Environment and climate team  LJ	Incomplete	1/11/23	
C	Low carbon heating incentive: contractor quality scheme and insulation installers	Island energy group to attend new contractor session on 9/6/23. Government to invite. Request from renewable gas trial through the scheme. GoJ and Island energy group to catch up separately on this.	JLM  LJ	Complete  Incomplete	8/6/23  1/8/23	
D	Electric vehicle and charging incentive	Concern raised around the second-hand imports needing battery replacements quickly. Jersey considered good place for second hand e-vehicles due
