Dear all

We are proposing to hold a couple of working sessions in relation to Freedom of Information and how it can impact you as Ministers and Assistant Ministers. This will include a brief overview, followed by a discussion of some previous requests and the various ramifications.

We are currently planning two sessions, on 11 December and 21 January and will send around appointments for both shortly. Please accept the session that works best for you.

We would also like to invite everyone to bring any queries or questions in relation to the FOI Law to these sessions.

Should you be unable to attend we are happy to arrange additional sessions in Q1 2019.

Kind regards

[REDACTED]
