Dear Connetable

Licensing (Jersey) Law 1974 - Application for 3rd Category Licence

Premises: Tresor, La Neuve Route, St. Brelade, Jersey, JE3 8BS

The application by [REDACTED] to all intents and purposes is for the granting of a 3rd Category Restaurant licence.

In accordance with the terms of Articles 39 of the Licensing (Jersey) Law 1974, an inspection was carried out at the above premises.

The state and condition of the premises was found to be generally satisfactory for the grant of the licences.

We have not received an occupancy figure given by the Chief Fire Officer for the premises. However, as far as concerns this Department the degree of sanitary accommodation is presently sufficient to accommodate up to 150 persons.

However I would respectfully suggest that in the event that the Chief Fire Officer suggests a lower occupancy, then the lower figure should be used.

Yours sincerely
