Subject: Corbiere

Dear [REDACTED]

Thank you for your recent email. As you may have seen from press coverage we are currently progressing a speed limit review with each Parish in turn.

St Brelade completed their review in 2018, and at that time it was decided not to change the speed limit at Corbiere. We have no plans to revisit speed limits in St Brelade before the review of all Parishes is complete, which is likely to be another two to three years at least. Your comments have been logged for review at that time.

I am sorry we could not be more helpful.

Subject: La Rue de La Corbiere

Dear [REDACTED]

Thank you for your email of 31st May 2021 regarding speeding on La Rue de la Corbiere. The current speed limit is 40mph.

As part of our island wide speed limit review, the roads in St. Brelade are currently programmed for review in 2023. However, the framework agreed with the Comite de Connétable, which can be viewed at <https://www.gov.je/Travel/Motoring/Pages/FrameworkSpeedLimit.aspx> suggests that this is the appropriate speed limit.

Anti-social behaviour in the form of racing, or speeding in general, is an enforcement matter for the Parish and the Honorary Police, and I have passed your comments on to them for consideration.

Thank you for bringing this matter to our attention.

Subject: La Rue de La Corbiere

Dear [REDACTED]

Thank you for your recent email outlining your concerns with speeding on La Rue de la Corbiere, and request for traffic calming.

Speeding is a policing matter and I suggest you contact your Parish Hall to ask if the Honorary Police would be able to carry out some checks.

With regard to your suggestion of traffic calming, I can confirm that this will be discussed at the next monthly Road Safety Review Panel. At this meeting officers will decide whether there are actions that the Department or other agencies can take to address your concerns.

This Panel normally meets in the middle of the month and you should receive a response shortly after the next meeting.

With thanks

Question: Hi. Who do i need to speak to about having either a speed check in corbiere or some traffic calming installed. Every sunday, bank holiday and weekend its like a racing track for motorbikes. This part of the island seems to get ignored
