Hi

I'm meeting Lucy at 11:30 tomorrow. Please could you review the attached.

One thought I had as a reactive action was for Lucy / MEDTSC to contact JRFC to give assurance that support for the amateur game was there. That would demonstrate action, and provide a clear message about where Government priorities lay. It would also help line up the media for filming / interviewing the JRFC about amateur games / children's training etc continuing, emphasising the message that it was still open and business as usual.

If you would like to join the meeting tomorrow please let me know.

Thanks

From: [REDACTED]@gov.je>

Dear Ian and Kirsten,

From us all, thank you for allowing us your precious time yesterday as well for as approving the disbursement of the 150k. We truly appreciate this was a difficult decision to reach and are very grateful for the supportive consideration.

We fully understand this is not the end of the process and we all stand ready to continue to provide the comfort that you appropriately would need to proceed further.

We would also like to take the time to commend the work done by the civil servants we have interfaced with. They have exhibited outstanding professionalism and responsiveness which has truly been 'above and beyond'.

Please let us know what more you might need from us.

Thanking you once again,

On behalf of Jersey Reds and Santander colleagues

Ian

We are due to meet with Jersey Reds 12.00 tomorrow.

I received a call at Home from Mark Morgan shortly before he sent this eMail

The email pretty much covers what he spoke about in the call - I said that I would speak with you.

Their financial situation seems bleak and worse than I had anticipated - it looks like they could be closing their doors this week.

I don't know the extent of their debts but there will be local Creditors who will also be hit by this.

Can we get 10 minutes before the meeting please just so we are all aligned.

Kind Regards

Richard
