Issue – Wall Street Journal would like to speak to you next week – see below for Max Colchester’s email

I am aiming to travel to Jersey on Tuesday May 3rd (or potentially Thursday May 5th) to do some reporting. I wanted to organise a meeting with Senator Gorst to discuss Jersey’s strategy as a financial center and the response to sanctions (which appears robust).

Is Mr. Gorst available? And would it be possible to meet people from the Jersey financial regulator? If you could let me know as soon as possible that would be great as I have to book my flights.

Best,
Max Colchester

Background – Ukraine and Russian sanctions

Action – check availability and let me know if you would be happy to speak to him

Timing – sort today if possible so he can book flights
