Thank you both, that's helpful.

████ is going to the synagogue, but they have asked not to publicise it █████.

Thanks,

Hi █████

I have been informed that serious consideration is being given to flying the flag of the state of Israel from Broad Street. The final decision on this will be for the CM, and she is considering the decision as we speak (whilst also meeting her commitments at the Labour conference).

There is a vigil at the Synagogue tonight, but it's not organised by us and we have been asked not to publicise it.

I'll ring █████.

Kind regards

████

Hi █████

Do you know if we're intending to organise anything for Israel (vigil, flags at half mast etc)?

If not, would you mind contacting █████ please?

████ is enquiring, hence copying █████

Many thanks,

████
