Hi [REDACTED]

I'm currently dealing with an enquiry about motorbikes in St Peter's Valley woods from a member of the public. They are concerned that they are holding motocross or trails events in [REDACTED] [REDACTED] land and are coming across onto [REDACTED] land as well.

I have spoken to someone from the Jersey Classic Vintage & Modern Racing Club and they have pointed the finger at the Jersey Motorcycle and Light Car Club. The JMC&LCC have apparently been undertaking events though nesting season, which the other club have strongly objected to. The rep from the CVMRC mentioned that [REDACTED] has written to the Environment Department to express [REDACTED] concerns. Do you know anything about this? [REDACTED] said that the Dept. was going to write to the JMC&LCC about it.

If this is the case, I was wondering whether it might be worth us writing a letter to the Dept. and club as well?

Let me know what you think or give me a call, to discuss, when you get a minute!

Thanks
