Dear Chief Minister

**Future Hospital Scrutiny Review Panel**

I write to inform you that the Future Hospital Scrutiny Review Panel has been reconstituted.

The aim of the Review Panel is to scrutinise your Government's progress towards delivering the future hospital project and to ensure that it will meet the needs of patients and clinicians.

Jersey's new hospital will be the largest capital project ever undertaken in Jersey and public interest in the project remains high.

We would like to invite you and Connétable Taylor – as Chairman of the Hospital Policy Development Board – to attend a public hearing to discuss the latest developments in relation to the future hospital.

My Scrutiny Officer will be in touch with your Department about arrangements for the hearing.

We look forward to working with you and thank you in advance for your assistance on this issue.

Yours sincerely

Deputy Kevin Pamplin

Chairman
