This is part 1 of part 2 though. [REDACTED] is agreeing to provide capacity, we have agreements from EDTSC and ED to use,

This will be EDTSC and ED problem if the use doesn't occur, these are the step in clauses which will be in the first draft.

SLA's between schools and the Education Minister are about as strong a commitment as we can hope for.

We have these, they were in the application – they are commitments from [REDACTED] to the Schools (i.e. part 1 of the POA)

They are NOT a commitment from the schools to actually use the facility (i.e. Part 2 of the POA is still missing!)

Regards, John

Andy/Mike,

A brief note to confirm that all individual secondary schools have agreed separate SLAs, in addition to the overarching departmental SLA.

Regards.
