Hi Tris,

I've spoken with the Constable about HDP crossings. One point of clarification, I just wanted to double check that the existing pelican crossing lights are to be retained. It says they are on some of the words on the slides but they don't feature in any of the images.

Assuming the pelican crossing is being retained, the Constable is content with the revised proposals. He's not sure that he needs to attend Friday's meeting although I see that [redacted] has already invited him.

Give me a call if further discussion helps
