Charlie, attached is an FOI relating to mobile phone bills.

We have met and discussed as officers, including how we can improve our [Redacted] position [Redacted] [Redacted] In the meantime, we have costs which seem high at circa £200,000 p.a. - with the majority being in police, health, infrastructure due to the nature of their work, and education.

We are asking departments for explanations of the costs, so we can understand how to reduce and how to explain and [Redacted] is considering.
