Dear Mr. Ereaut,

Regarding above two vehicles for which Bonds Nos. 79 and 80 have been prepared; as they have been returned to the owners, would you kindly arrange for the Bonds to be cancelled.

[REDACTED] Manager of the J.M.T. has written me to the effect that both vehicles were returned to the Company about 14 days after they were requisitioned, and that a hire charge has already been paid by you.

Yours faithfully,
