

Decision Summary

Minister for the Environment

Ministerial Decision

Decision Reference: MD-PE-2020-0071			
Decision Summary Title:	Terms of Reference: Review of the planning permission to demolish the 1937 Terminal building at Jersey Airport	Date of Decision Summary:	18 September 2020
Decision Summary Author:	Assistant Private Secretary	Decision Summary: Public or Exempt?	Public
Type of Report: Oral or Written?	Written	Person Giving Oral Report:	N/A
Written Report Title:	Terms of Reference: Review of the planning permission to demolish the 1937 Terminal building at Jersey Airport	Date of Written Report:	23 September 2020
Written Report Author:	Director, Development Control	Written Report: Public or Exempt?	Public
Subject: Terms of Reference: Review of the planning permission to demolish the 1937 Terminal building at Jersey Airport.			
Decision(s): The Minister decided to publish the Terms of Reference to allow, in turn, the appointment process for an independent Planning Inspector to commence. When appointed, this will allow for the review as outlined in the terms of reference to begin.			
Reason(s) for Decision: Following the adoption of P.71/2020 (Proposed Airport Redevelopment) lodged by Deputy R. Labey of St Helier, the Minister for the Environment was requested, by the Assembly, to instigate a review as defined under part c of the proposition.			
Resource Implications: An independent Planning Inspector would need to be appointed to conduct the review as outlined in the Terms of Reference. There would be a financial cost to the Infrastructure, Housing and Environment department to support the work of the Inspector. The final cost of this work would not be known until said work was complete.			
Action required: The Minister's officers to publish the Terms of Reference and any relevant supporting documents on the Government of Jersey website and to initiate the process for the appointment of an independent Planning Inspector by the Minister.			
Signature:  Deputy John Young		Position: Minister for the Environment
