SJH LETTER AIRPORT PLANNING MINISTER REVIEW.pdf

Dear [REDACTED]

**Jersey Airport P71/2020**

I am attaching a formal letter from Save Jersey's Heritage to you in your capacity as Minister for the Environment. My two previous letters on this subject do not appear to have been acknowledged. Would you be kind enough to acknowledge safe receipt of this one? I will also appreciate a response to my request for Save Jersey's Heritage to be involved in the planning review requested by the States Assembly by virtue of their adoption of P71/2020?

Yours sincerely
