## WASTE MANAGEMENT (FEES) (JERSEY) ORDER 2006

*Made**27th November 2006**Coming into force**in accordance with Article 2*

**THE MINISTER FOR PLANNING AND ENVIRONMENT**, in pursuance of Articles 18, 22, 106 and 108 of the Waste Management (Jersey) Law 2005<sup>1</sup>, orders as follows –

### **1 Fees**

- (1) This Order prescribes the fees payable under the Waste Management (Jersey) Law 2005.
- (2) The fee payable in respect of an application specified in column 1 of Part 1 of the table of fees set out in Schedule 1 is the appropriate fee specified in column 2 of the table.
- (3) If an application for a licence is successful, the appropriate fee specified in Part 2 of the table of fees set out in Schedule 1 is payable on the grant of the licence and on each anniversary of the grant of the licence during the subsistence of the licence.
- (4) If the Minister agrees, half the fee mentioned in paragraph (2) may be paid on the grant of the licence and half every 6 months thereafter during the subsistence of the licence.
- (5) Where more than one fee is specified in column 2 of the table of fees, a person may, before making an application specified in Part 1 of the table, apply to the Minister for a determination –
  - (a) on which fee is the appropriate fee in respect of the application; and
  - (b) where the application is for a licence, on which fee is the appropriate fee under Part 2 of the table of fees.
- (6) The question of which fee is the appropriate fee will be determined in accordance with Schedule 2.

**2 Citation and commencement**

- (1) This Order may be cited as the Waste Management (Fees) (Jersey) Order 2006.
- (2) It shall come into force on the same day as the Waste Management (Jersey) Law 2005.

**SENATOR F.E. COHEN**

*Minister for Planning and Environment*

**SCHEDULE 1**

(Regulation 1(2) and (3))

**FEEES**

<b>Part 1 - Applications</b>	<b>Fee £</b>

<b>Licence subsistence –</b>	
high inspection frequency	10485
medium inspection frequency	5245
low inspection frequency	2625

**SCHEDULE 2**

(Regulation 1(6))

**DETERMINATION OF APPROPRIATE FEE****1 Licence application and licence surrender**

- (1) The high regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a complex facility with a significant pollution potential or sensitive receptors.
- (2) The medium regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a facility that has a reduced pollution potential but where receptors are still present and where a detailed consideration of the application is still required.
- (3) The low regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a facility where the volume of material handled and the potential environmental risks from operations at the facility are low.

**2 Licence subsistence**

- (1) The high inspection frequency fee is payable if the Minister is satisfied that the facility requires a rigorous and frequent inspection regime and the completion of follow up paperwork.
- (2) The medium inspection frequency fee is payable if the Minister is satisfied that the facility requires a less rigorous and frequent inspection regime and the completion of follow up paperwork.
- (3) The low inspection frequency fee is payable if the Minister is satisfied that the facility requires an infrequent inspection regime and the completion of follow up paperwork.
