

Designated Yellow Fever Centre charges; annual increase 2023

The Jersey Care Commission inspects designated yellow fever centres. An annual inspection fee is levied. The fees associated with inspection are not provided for in legislation and are, therefore, increase on an annual basis by Ministerial Decision.

The increase is a standard 2.5% increase in line with GoJ inflation policy.

	2020 fee	2021 fee	2022 fee	Proposed 2023 fee
	£202.63	£207.70	£212.89	£218.21
