Resource Implications	There are new financial and/or manpower implications. Further detail is included in the detail section of the report.
-----------------------	---

Introduction

The Durrell Wildlife Conservation Trust submitted 3 Planning Applications in November & December 2024. The total fee due for the applications is £1,615.50. Due to their charitable status, the applicant had requested that the Minister consider a 50% reduction to these fees, which would amount to a loss of income for the Regulation section of the Infrastructure and Environment Department of £807.75

Recommendation

Recommendation to approve the waiver of 50% of the standard application fee in this specific case.
