Introduction

The Jersey Architecture Commission has been in place since 2012. There is an ongoing need to consider the membership of the Commission, the position of its Chairperson, and accept two resignations.

Commission appointments

The Commission is made up of eleven formally appointed commissioners, ten of whom are available to support design reviews/surgeries.

As the term of office of all commissioners has expired each has been approached to confirm their willingness to continue to serve on the Commission. All have agreed, except Johanna Gibbons and Chris Twinn, who have both tendered their resignations.

It is proposed that the term of office of those commissioners willing to continue in the role is extended to September 2026.

Chairperson

Lynne Sullivan has been the Chairperson since June 2023 and is willing to continue as such until 2026.

Recommendation

That the Minister: (a). agree to formally appoint eight of the existing commissioners; and to continue to reserve the commissioner on call for feasibility and development economics advice to September 2026; (b). endorse the appointment of Lynne Sullivan as Chair of the Commission to September 2026; and (c). await a further report on the proposed appointment of further commissioners in early 2025..
